The 90's was the golden decade for men who truly appreciate the super-endowed female. Never before, and likely never again, will such a staggering array of magnificent mammaries be exposed for our appreciation and worship. In this premier issue of *Buxotika*, we pay homage to 20 of the magical decade's most buxom queens. They left the world speechless...and tit-men everywhere, eternally hard. Enjoy! The editors

# MAXI MOUNDS

52-25-36

Hyperbole may be a staple of the big boob world, but we're hardly exaggerating when we say that Maxi may have the biggest bazookas we've ever seen. And we've obviously sifted through the motherload. If there's any one befitting the moniker *Breastus Maximus*, it's her.

Even aside from her massive warheads, Maxi is the *Buxodca* prototype, her voluptuous, Amazonian physique boasts the perfect dimensions for sin. And Maxi loves to sin. "I'm a Scorpio, which is considered the highest sex sign. I love to fuck and I can cum in any position," she says. Thanks for the info, Maxi.

You can catch up on some of her work in the January, May and June 2001 issues of *SCORE*. If you're looking for something a little more animated, you can check Maxi out on video in *Busty Auditions 2*, and *SCORE's Boob Cruise 2000* video or DVD.

# TIFFANY TOWERS

48-22-34

Not unlike Christopher Columbus stumbling upon the new world, the discovery of this sexy siren was a matter of fate. It was Spring Break 1990 when John Graham and John Fox discovered Tiff participating in a Daytona Beach, Florida wet t-shirt contest. And, the rest as they say...is history.

All tit men are in agreement that Tiffany, a native Canadian, is the definition of "slim and stacked" in its purest form. Want lots more of this *Buxotica* beauty? There's only one place to get it: [www.tiffany-towers.com](http://www.tiffany-towers.com)

**WENDY WHOPPERS**

48-21-32

When the big book of boobs is finally written, Wendy Whoppers will surely have her own chapter. And a good subheading might be: Slim and Stacked...To The Max! Ripe, oversized melons are the highlight of this sub-100 pound package.

After multiple **SCORE** appearances from '92 to '97, this Indiana native ventured into XXX videos. Catch her in *The Greatest Big Bust Video*, or you can just imagine your hands wrapped around her dainty 21-inch waist as you pound her pussy from behind, her funbags flopping wildly.

Holy fuck! Look at the fuckin' size of Minka's tits! Minka is at her all-time biggest in these hot photos taken on a Caribbean island paradise. The number-one Asian tit queen of the galaxy enjoys seeing boob men pop!

**MINKA**

56-23-35

You're unbelievable, Minka! When Minka is out in public, her super-knockers stop people cold. Many are stunned, even shocked! The world has never seen a woman with tits like Minka's! Each of Minka's tits are three times bigger than a man's head. And our heads and our hard cocks are always eager to slide between them!

You can't keep your eyes off Minka's mindblowing mega-melons! It seems impossible, but it's true! Minka is a super-breasted dream woman cum to life.

# LETHA WEAPONS

50-22-36

In the world of heavy hangers, Letha Weapons may be the one woman who can singularly define *Buxodica*. She wears her love of sex, and everything associated with it, like a badge of honor...on her chest! From what we've heard, Letha's seven *SCORE* appearances are like Bible study when compared to her anything-goes dance club shows.

Letha recently made a comeback after a three year sabbatical with an appearance in the March '01 issue of *SCORE*. She's now poised to recapture her old glory. "You don't know how much you miss the life until you're gone," she admits. "This time I'm going to make the best of it."

# BUSTY DUSTY

54-24-34

She's known as one of the most irrepressible feature dancers in the world. And it's easy to see why. Dusty's colossal HHH cans are the centerpiece of a lean, runway model-like frame that tapers to a tiny 24-inch waist, then bows back out to accommodate a sublime 34-inch loveseat. Simply put, she's a party waiting to happen.

Beginning with her debut in the May '93 issue, Dusty appeared in **SCORE** some 10 times, earning her a place in the select company of the best boobers in the business. Her last pictorial in the Holiday '99 issue marked the end of a silicone-filled era.

According to Busty, hanging up the harness was a tough decision, but it was time to move on. "I only hope this next chapter of my life will be as fulfilling as the last," she says. She now lives in Seattle, where she still enjoys her superstar status and army of fans.

## TRACI TOPPS

52-23-34

To *Buxotica*-men the world over, the perfect woman is equal parts beauty and breasts, a credo embodied by the practically perfect charms of Houston native Traci Topps.

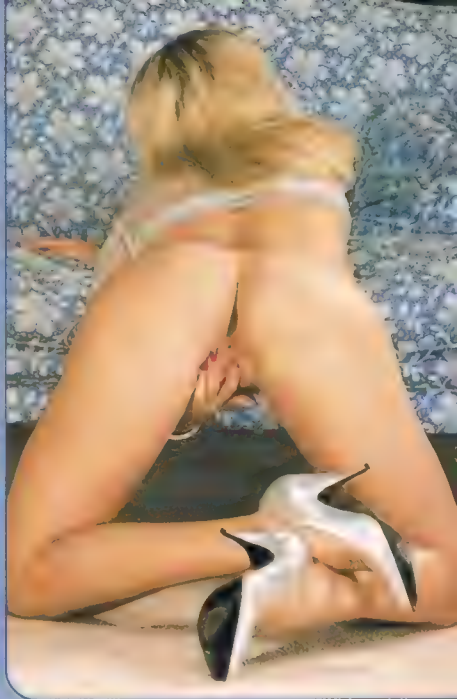

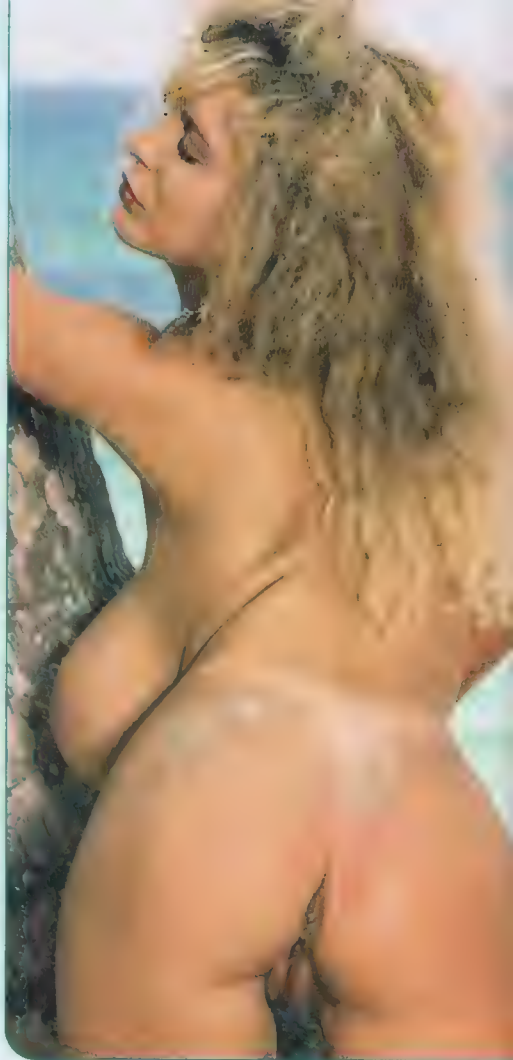

With a face like an angel and heavenly breasts to match, she is truly a gift from the gods. Traci made her *SCORE* debut in February '95 and went on to do another eight spunk brewing *SCORE* pictorials before hanging up her JJJ-cup bra in 1998 in favor of a more tranquil life across the pond in England.

## LISA CHEST

52-23-34

Like an elite athlete hobbled by injury and forced to retire in her prime, Lisa Chest was already one of the greats when back problems ended her modeling career prematurely in 1994.

Ironically, it was the same fantastically petite 5'5", 110 pound figure that made her a star model that led to her early retirement. Her frame simply could not support her low-slung whoppers. Lisa is now happy and busy working her own horse ranch in Arizona.

# LISA LIPPS

48-26-36

A blonde woman with large breasts and a pink skirt is posing in a room. She is looking directly at the camera with a slight smile. Her hands are resting on her thighs. In the background, there is a lamp with a green shade and a dark piece of furniture.

*Buxotica*-men, if you like your women demure, then you are in the wrong place. However, if a woman with bazooka-like tits who will willingly grant your eager dick access to all three inputs is more your speed, then Lisa's it.

Lisa appeared in *SCORE* 10 times between 1993 and '99, before venturing into XXX videos and launching her own website, a non-stop raunchfest, as you can well imagine. "There's nothing better than getting fucked till you can't breathe," she says

# SARENNA LEE

50-23-34

When the golden age of *Buxotica* is looked back on decades from now, SaRenna Lee will probably be the foremost thought on the minds of many a superboob historian. This set of photos, in particular, showcases the ultimate *Buxotica* legend at her bra-busting best.

SaRenna is among a host of mega-mam-married superstars of the past who made a comeback this year. Proof that there is a boob god up above and he led her back to her loved ones. Her stunning return was featured in the July 2001 issue of *SCORE*. Like all great comeback stories, SaRenna's is one of triumph and tragedy. The tragedy being the three years we were deprived of a look at that sensational rack! And the triumph...well, you are looking at it! And it gets even better. SaRenna has made a return to the feature dancing circuit.

If all this good news hasn't caused a groundswell in your shorts yet, you can go online and log on to [www.sarennasworld.com](http://www.sarennasworld.com) and catch up on her work. You can also get your fill of SaRenna in these nut-busting videos: *Ben Dover Does the Boob Cruise '97*, *Boob Cruise '98*, *The Greatest Big Bust Video Volume II*, and *Boosom Buddies #3*.

**KAYLA KLEEVAAGE**

54-26-36

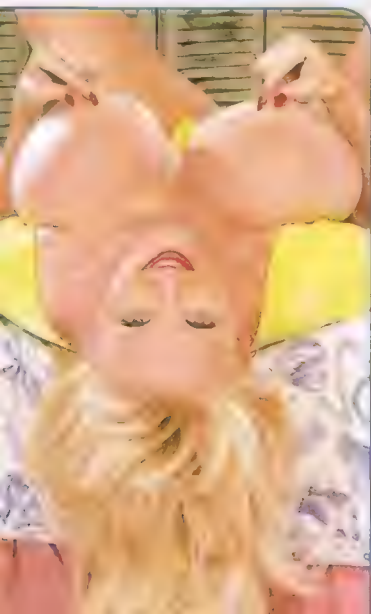

Long-time super-mammed favorite Kayla Kleeve has been called a *Buxotica*-man's wet dream. And aptly so. She's made a string of *SCORE* appearances, beginning with her debut in the June '92 issue. When it comes to sheer breast power, few girls, if any, can top Kayla.

Born in Wisconsin and raised in Texas, this alabaster-skinned cowgirl lends credence to the claim that everything in the lone star state is larger than life. Yeehaw!

## PANDORA PEAKS

52-22-36

Few titters have attained the level of success that this sexy, southern belle has. Pandora Peaks' rapid ascent to super-jugs status peaked, if you will, with her role alongside Demi Moore in the popular movie *Striptease*. However, even prior to that exposure, she was one of the most celebrated big-bust queens of the golden 90's. These days this talented and sexy Georgia native resides in Toronto.

Pandora's popularity in North America is just a fraction of her celebrity worldwide. Want video? Try *The Greatest Big Bust Video Ever Made*. You will see that the title fits Pandora like a glove.

## TOPPSY CURVEY

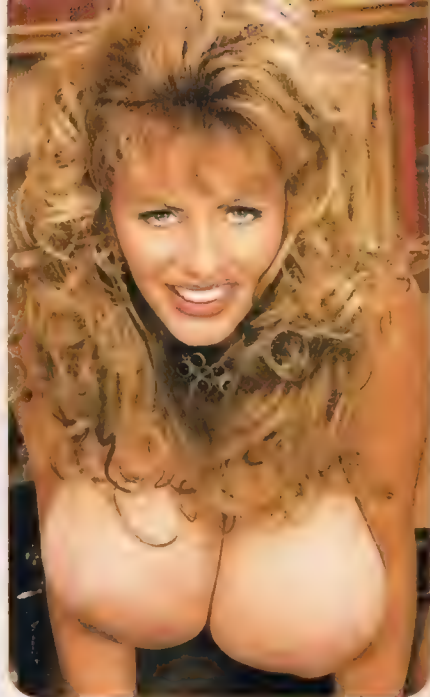

54-26-36

Baseball has been very, very good to Toppsy Curvey...and vice-versa. Back in the early 90's, just before her 1993 *SCORE* debut, she dubbed herself "The Kissing Babe," and terrorized Major League Baseball diamonds with her catcher's mitt-sized knockers by storming the field during games to kiss players.

A *Butoxica* legend, Topsy was usually thrown into the jug by stadium security after she got her man. But the Boston native, and little sister to LuLu Devine, was usually out in a flash, no worse for the experience and ready for more.

## TAWNY PEAKS

48-26-36

Tawny Peaks, a.k.a. "the big tit chameleon," is known to change her looks to the point where she's unrecognizable. Even her ardent fans were fooled by her new look in the Jan. '97 *SCORE*. But, ultimately, there's no disguising such a great set of mams.

Tawny made her *SCORE* debut in the the July '93 issue and has graduated from one of the greats to a name that will undoubtedly be immortalized in the scriptures of big boob history. This *Buxotica* beauty's most memorable pictorials can be found in the March '99 and July '01 issues of *SCORE*.

**PLENTY UPTOPP**

48-21-32

No, *Buxotica* readers, Plenty is not smuggling small children in her blouse. Those huge flesh pillows are truly bigger than life, aren't they? At the last count, Plenty measured over 50-inches around. In everyday life, Plenty is sweet and feminine but, when it comes to sex, she's the take charge type.

A friendly gal who loves to stop by **SCORE** headquarters and give the staffers a rise, Plenty travels across America to dance at clubs such as Flashdancers in New York City, where she is usually a featured performer for their special Xmas shows. When she's not out giving guys blueballs, she likes to relax and recharge at her South Florida home. You can see Plenty in action on video in *Boobtown Brats 2* and *SCORE Xtra #4*, or catch her past pictorials in the February '97, January 98, and November 2000 issues of **SCORE**.

# ANGELIQUE

50-28-36

Perhaps the most exotic *Buxotica* legend in this issue, this seductive Brazilian tit goddess salled with *SCORE* on the Boob Cruise in '95 and '97. These days Angelique makes her home in Germany.

Throughout the 90's, Angelique became something of a jet-setter, living in Germany and and traveling to London for photo shoots, then returning to Brazil for a while to help her family out financially. Her heart may well be as big as her magnificent rack! But that's highly unlikely!

This photo set of Angelique is a relatively late one in her long career, but it's one of her sexiest. She quite possibly looks just as good as when we first laid eyes on her in '94. After we picked our tongues off the floor, we decided that she was worthy of a 10-page pictorial. Wouldn't you agree? Make sure to check out her sizzling pictorial in the July 2000 issue of *SCORE*.

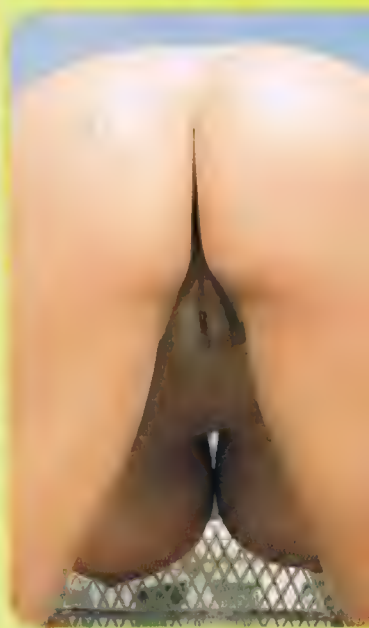

# CANDY CANTELOPES

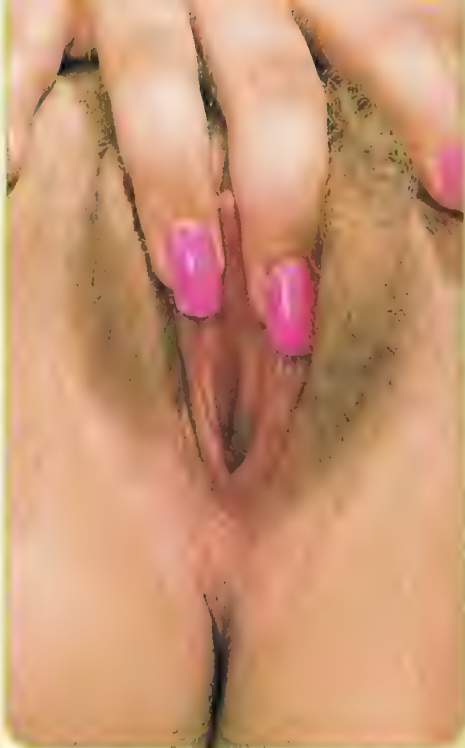

52-28-38

If ever there was a super-boober who held so much promise it was frightening, it was Candy. She made her worldwide debut in the Nov. '93 **SCORE** which, according to many long-time readers, could well be the best issue of **SCORE** produced to date. After seeing her test shots, **SCORE** staffers predicted that Candy would be a star. Their sentiments would later prove to be vastly understated.

Candy's unassuming demeanor contrasted sharply with her Amazon-like 5'10", 140 pound figure. These photos were taken on Eleuthra Island in the Bahamas in 1992 during one of Fox's and Graham's many big-bust photo safaris.

# COLT 45

52-26-36

The aptly named Colt 45 has a body that can blow you away with its sheer size and strength. Ironically, she's one of the quietest women you'll ever meet. A well-travelled veteran of every gentlemen's club from Miami to San Francisco, Colt has shown her massive guns in nearly every city in the land. When it comes to the biggest of the big, count her in!

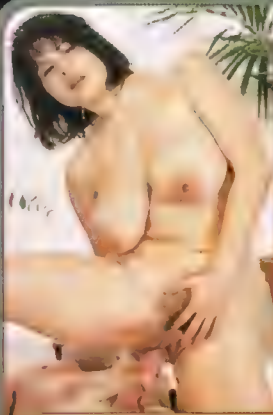

Believe It or not, Colt's favorite pastime is fishing. That's right, this sexy super-buster loves nothing better than playing with a big rod. Which reminds us...one of our favorite pastimes is watching Colt dildo her pussy in the video *SCORE Xtra #2*. Unlike many of the girls featured in this issue, Colt is still active on the exotic dance circuit. Catch her act while you can.

# CASEY JAMES

64-24-36

There's little doubt in our minds that big bust extraordinaire Casey James can go boob to boob with the biggest in the business. Case in point, on Boob Cruise 2000 Casey went tit to tit with fellow tit-ans Minka and Maxi Mounds...with surprising results!

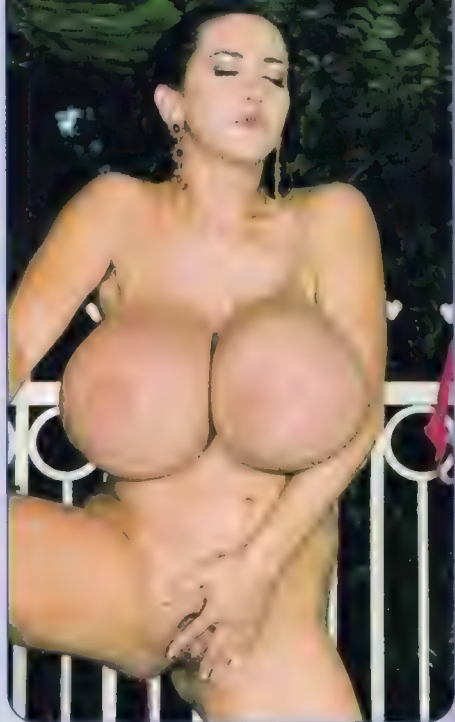

Now, if you can tear your eyes away from Casey's immense tankers for two seconds, take a look at her snatch. Casey has the kind of pussy that makes a cunt-hungry man's mouth water. Her shapely mons venus is covered with luxurious black fur which can't begin to hide Casey's protruding pussy lips. From top to bottom, this busty babe is sex packed!

A veteran of three Boob Cruises, Casey's leadership qualities and talents as a multi-faceted entertainer have helped to make those voyages a success. She's a fine MC, an athletic dancer, a delightful socializer and a great events coordinator. And, best of all, as a model, she makes you want to pop your nuts!
